Document d'informations précontractuelles sur les unités de compte

L'ensemble des frais directs ou indirects impliquent une réduction du capital constitué sur l'ensemble des supports éligibles au contrat.

Nous attirons votre attention sur le fait que :

- Les frais OPC indiqués reflètent les coûts mentionnés dans le Document d'Informations Clés (DICI/DIC)* et ne préjugent pas du niveau de frais qui sera appliqué par les sociétés de gestion en n.
- Les frais de gestion de l'actif correspondent aux frais prélevés par les sociétés de gestion sur les encours sous gestion des OPC. Ces frais peuvent, éventuellement, être en partie redistribués sous forme de rétrocessions de commission au profit des distributeurs et assureur du contrat (dernière colonne du tableau).

A noter : Sur les supports SCPI, les sociétés de gestion versent également une commission d'entrée aux distributeurs à la souscription (cf Document d'Informations Clés).

- Les performances brutes UC reflètent les coûts mentionnés dans le DICI/DIC* et ne préjugent pas des performances en n.
- Les frais de gestion du contrat correspondent **à une gestion libre** et n'incluent pas d'éventuels frais relatifs à des options additionnelles (ex : frais de garantie-plancher, etc.) ou des frais résultants d'arbitrages effectués durant l'exercice.

* coûts directs, indirects, uniques et récurrents et l'impact des frais sur le rendement, exprimés en pourcentage et en euros, afin de montrer les effets cumulés des coûts sur l'investissement.

S'agissant des unités de compte, l'organisme assureur ne s'engage que sur leur nombre, mais pas sur leur valeur. La valeur de ces unités de compte, qui reflète la valeur d'actifs sous-jacents, n'est pas garantie mais est sujette à des fluctuations à la hausse ou à la baisse dépendant en particulier de l'évolution des marchés financiers.

Le document d'informations clés (DIC) (aussi appelé document d'informations spécifiques) et/ou le document d'informations clés pour l'investisseur (DICI) (ou note détaillée) pour chaque support en unités de compte est disponible auprès de l'organisme assureur, sur le site internet présentant le présent contrat, ainsi que sur les sites www.amf-france.org et www.mesdocumentsprips.fr.

Certains supports sont dédiés ou créés sur-mesure pour des partenaires spécifiques, et ne sont donc pas accessibles à tous les clients.

Merci de vous rapprocher de vos contacts habituels pour vérifier l'accessibilité au contrat des supports listés ci-après.

A noter pour les SCPI :

- Les performances indiquées correspondent au taux de distribution sur valeur de marché.
- La valeur indiquée dans la dernière colonne correspond à la commission d'entrée liée aux frais de distribution, perçue une seule fois.

Les performances passées ne préjugent pas des performances futures
